

The diagram shows a vertical page layout with several zones and lines. At the top, there are three curved lines: a thin grey one, a green one, and a red one. Below these, a large white rectangular area is defined by a thin grey border. Inside this area, there are several text labels. A red line follows the right edge of the white area, and a green line follows the left edge. A black dot is located on the right edge of the white area, aligned with the 'Beachflag kader' label. Another black dot is on the right edge, aligned with the 'Marge lijn' label. A third black dot is on the right edge, aligned with the 'Eventuele overdruk' label. A fourth black dot is on the left edge, aligned with the 'Wit elastiek' label. The text labels are: 'Beachflag kader', 'Marge lijn waar binnen tekst en logo's komen', 'Zwart elastiek', 'Wit elastiek', 'Meegedrukte Tunnel', and 'Eventuele overdruk'. The 'Meegedrukte Tunnel' label is enclosed in a white rectangular box with a thin grey border.
