

The diagram shows a vertical page layout with a curved top edge. It features several concentric curved lines: a red line (outermost), a green line, a grey line, and a black line (innermost). A vertical line runs down the right side. Labels with leader lines point to these elements: 'Beachflag kader' points to the red line, 'Marge lijn' points to the green line, 'Wit elastiek' points to the black line, and 'Eventuele overdruk' points to the right edge. A 'Meegedrukte Tunnel' is also indicated by a box on the left side.
