

The diagram illustrates the layout of a beach flag, showing several distinct zones and margins. From top to bottom, the zones are: a 'Beachflag kader' (beach flag frame) indicated by a red line; a 'Marge lijn' (margin line) indicated by a green line, which is the area where text and logos are placed; a 'Zwart elastiek' (black elastic) zone; a 'Wit elastiek' (white elastic) zone; a 'Meegedrukte Tunnel' (compressed tunnel) zone; and an 'Eventuele overdruk' (possible overprint) zone. A black dot on the left side is connected to the 'Wit elastiek' zone, and another black dot on the right side is connected to the 'Beachflag kader' zone.
